## Education

### Bachelor of Software Engineering

Addis Ababa University

Addis Ababa, Ethiopia

6th best in Africa.

Courses taken:

- Object Oriented Programming , Data structure and Algorithms, Database, Operating System, Mobile App and Web development.

### Digital Marketing

HubSpot Academy

Massachusetts, United States of America

HubSpot Academy is the worldwide leader in free online training for inbound marketing, sales, and customer service professionals. We specialize in comprehensive certifications, singular topic courses, and bite-sized lessons for professionals looking to grow their career and business.

### A2SV - Coding academy

Africa to Silicon Valley

Addis Ababa, Ethiopia

A2SV upskills high-potential African students, connects with top silicon valley companies and creates digital solutions to urgent problems in their home countries. A2SV students have achieved 70% (31/44) success rate in 2022 at Google Software Engineering interviews.

## Professional Experience

### Frontend Developer and UI UX Designer

Africa to Silicon Valley

Addis Ababa, Ethiopia

My role was to create and implement user-friendly interfaces for our web applications. I was responsible for translating design mockups into functional and responsive websites. I collaborated with designers and backend developers to optimize performance and deliver visually appealing and intuitive interfaces.

### Graphics Designer and Social Media Manager

Africa to Silicon Valley

Present | Addis Ababa, Ethiopia

My role is crucial in amplifying our mission and showcasing our impact. I prepare compelling narratives, create appealing designs, and manage our social media platforms. By raising awareness, attracting support, and connecting talented youth with opportunities, I help empower high-potential students through A2SV.

### Junior Marketer and UI-UX Designer

Flocash

London, United Kingdom

Responsible for developing and executing social media strategies to enhance brand visibility and engagement. I create content, including graphics and written posts, to drive traffic to our platforms, while also incorporating UI/UX design principles to optimize the user experience. Additionally, I analyze data and trends to continuously improve our social media presence.
