WORK EXPERIENCE

UI-UX Designer   2021 - 2022
AFRICA TO SILICON VALLEY

Worked as a UI-UX team member for the mobile application development of a project called "Rate Eat".
- I developed the UI pages and passed it to the Mobile Team.
- I worked on fixing the bugs on these page with the mobile team.

SOCIAL MEDIA MANAGER   2021 - 2022
AFRICA TO SILICON VALLEY

Worked on managing all the social pltforms A2SV | Africa to Silicon Valley owns. Which includes:
- Instagram
- LinkedIn
- Telegram
- Twitter

ABOUT ME

I am very passionate about problem solving, programming, User Interface Design, User Experience and technology in general. I really like playing Video Games and sending people to the Gulag ;)
